More than \$26,136,896 Asked for-Items of this Nice Little Bill-A "Put up Job."

War Threatened in the Interest of New England Blue-Light & kippers--Boutwell and Butler's Friends.

From the New York Herald.] The "case" of the United States, as made up by Mr. Bancroft Davis, was esented, and contains a full recital of he facts, great and small, of what are known as the Alabama grievances coupled with an equally full recital of all that the government of the United States has thought or said about it. The case forms a volume of five hundred pages, and contains a French documents. It asks for the compensa tion in a round sum for the loss of vessels and their cargoes; for the expense of pursuing the rebel privateers; for the loss sustained by the transfer of American ships to foreign flags, and ncrease cost of insurance, and for the prolongation of the war caused by the perations of these cruisers. In short, he case claims everything it is possible to claim. A full and complete unswindled in her printing contracts, and the legislature yesterday set a committee to work investigating the tablished, and of the same in gross Thomas K. Cree, of Pittsburg, Penn- which is demanded. These facts, The facts that the recognition of the surgents by Great Britain as belligerents on the high seas before they had a single vessel affoat, had the on temporary leave of absence. Sec. effect of actually creating them belligerents-and this was effected exclu-

sively from English ports, the insurgents never appearing as belligerents tario, in a statement presented to the legislature, shows the amount of revonstructed, equipped, manned, suplied and armed in British ports-g o make up the first four counts in the dictment. The four following counts are to the effect that, notwithstanding our remonstrance in every prescribed form against this abuse of neutrality,

he persistent call to put a stop to it, and the free acknowledgment of THE VIOLATION OF NEUTRALITY on the part of Great Britain, and the efficiency of English law was so remail of E. C. Synopsis of the Educational Bill as it

Passed the House Yesterday.

Washington, February 8.— The
following is a synopsis of the educational bill as it passed the house yesterday:

The first section provides that the

Yesterday was fair. Prospects are still favorable, as the weather continues moderate......The Belle Lee got off for New Orleans at noon with six hundred bales of cotton, one hundred tons of way freight, and crowded with passengers......The Dardanelle, from the Arkannas, brought in five hundred and twenty-one bales of cotton, seventy-eight sa ks of seed, and a lot of sundries to order......The Boaz and barges passed up yesterday afternoon.....

The G. W. Chrek, from Friars Point, came in with one hundred and eight bales of The first section provides that the net proceeds of the public lands be forever set apart for the education of the people. Nothing in the act limits the power of congress over the public lands, to interfere with granting bounlands, to interfere with granting bounty nor with the homestead act.

The second section provides that the secretary of the interior shall certify to the secretary of the treasury each year the net proceeds of the sales of public lands.

The third section provides the manner in which the funds are to be invested.

The third section provides the manner in which the funds are to be invested. vested.

The fourth section provides for the apportionment of the fund to the various States and territories for the first ten years, the distribution to be made according to the ratio of illiteracy of the respective population.

The fifth section provides when and under what circumstances the first distribution shall be made.

The sixth acction provides when and under what circumstances the first distribution shall be made.

The sixth acction provides when and under what circumstances the first distribution shall be made. the accommodation of those who desire to witness the grand Mardi Gras celebra-tion, on Thesday, February 13th, and at-tena the various masked balls to be given at night, Captain Bowman, at the solicitabe expended at the discretion of the legislature for the instruction of teachers for common schools.

The seventh section states the condition under which each State and dition under which each State and teachers shall be entitled to receive the section of the section of the sented to delay the departure of the St. Francis on her next trip, from Tuesday evening until Wednesday morning at ten o'clock. This will be good news to many who cannot spare much time from their teachers.

OTHER MATTERS.—The situation in the its share of every apportionment after gorge below Cairo is thus described: "The The eighth section provides that Bodman is reised up fiteen inches by the the commissioners of education shall ice and the Kilgour six inches. The fool of the gorge rests opposite the rocky point immediately above Columbus, and entitled to receive an apportionment the clear water runs up in the shape of a v, the highest point being in the middle of the river. To the right of this point, der this act shall be withheld for the reason that the laws thereof provide for separate schools for white and black children, or refuse to organize a system of mixed schools.

The ninth section provides for the Redman, the Lilinois is lying across the channel. Near the Kentucky shore, three hundred yards above the Redman, the Longworth is situated. The ninth section provides for the Bodman, the Longworth is situated distribution of the fund by the super-intendent of instruction in each State, opposite the sawmill, is the ferry St. Louis, and above her, out in the river, the Great Republic. She is probab three-fourths of a mile from the foot of the gorge. All the danger to the first is apprehended from the breaking up of the ice, and every man on board all of them seems to have a different opinion as to its results. Captain Wade, of the Mitchell says it rarely occurs that a boat fast in a gorge is injured by the break up, and be lieves that they will come out all right. The general opinion, however, is that the Longworth and Bodman, which lie in the bend close to shore, will be crowded to the bank and possibly ruined In 1855, December 28th, the river closed at St. Louis. It opened again February 26th, 1856, with a rise, and the heavy ice committed great havec among steamers. Three wharlboats were sunk. Among the steamers sunk were the Shenandoah, Sam Cloon G. W. Sparbawk, Federal Arch, Polar Star, Australia, Brunette, Bon Accord, Highland Mary and Louisville, and a large number of others were damaged—the Nebraska, Badger State, Clara, Ben Bolt, Adriatic, Paul Jones, Altoona, A. B. Chambers, Challenge, Di Vernon, Lamartine, Jennie Deans, etc. Heavy damage to steam. Deans, etc........ Heavy damage to steamers at Cincinnati is anticipated on the breaking up of the ice. St. Louis is pretty

much in the same fix The unparal Corener's Inquest—Suit for Gold—A commenced anywhere yet........The river at Alton did not gorge till Monday night, and eight inches of anow lies on she ground By Telegraph. NEW ORLHANS, February 7 .- No arri-Weather clear and moderating.

MARINE INTELLIGENCE. A dispatch from London yesterday says that the steamship Colorado, which sailed from Liverpool yesterday for New York, when just outside the Mersey was run into with great violence by the Arabian, inward bound. The Colorado received severe damages and was run ashore to prevent her sinking in deep water with all on board. The Arabian, which was comparatively uninjured, rescued all the passengers of the Colorado, except five in the steerage, who, it is supposed, jumped overboard in the panic which followed and were lost. The passengers were brought back to Liverpool. The case of the United States against the stesmer Montello, libelled for non-com-pliance with the laws appertaining to steamers plying upon the navigable

steamers plying upon the navigable waters of the United States, has just been decided against the United States in Judge Miller's court, at Milwankee, on the grounds that the Fox river, where the steamer was running, is not a public nav-igable river of the United States, and that that they might speak understandingly on the subject should their diplomatic relations occasion a reference to it. Minister Cramer producing the paper rose and said:

"Gentlemen, I have just received a dispatch from my government about the difficulty with Russia, which I
